All of our teaching aids are handmade by volunteers and are free. We ship 3 or 4 times a year (except during the summer), and work diligently to fill all orders as soon as possible. There may be a delay before you receive all the items you have requested, so sometimes we ship partial orders. We receive no government funds, and no one in our workshop is paid. Any voluntary monetary donations (tax deductible) to our workshop are very much appreciated and used only for the purchase of materials.
